TRAVEL BULLETIN #03, FY09

SUBJECT: Privately Owned Vehicle Mileage Reimbursement Rates

EFFECTIVE DATE: February 26, 2009

EXPIRATION DATE: Effective until canceled or superseded

BACKGROUND: The General Services Administration (GSA) is responsible for establishing the privately-owned vehicle (POV) mileage reimbursement rates. GSA conducted a periodic investigation of the costs associated with operating a POV and used the results to establish a new mileage rate for using a POV while on official travel.

PURPOSE: To announce the mileage reimbursement rates for use of a POV beginning January 1, 2009

REGULATION: This bulletin announces 2009 mileage reimbursement rates for POVs, as follows:

- (1) Aircraft - \$1.24
- (2) Motorcycle - \$0.52
- (3) Automobile - \$0.55

Use these reimbursement rates when POV transportation is authorized and approved as more advantageous to the Government.
